

2005 ALEXANDER VALLEY CABERNET SAUVIGNON

Arbios Cellars produces only one wine - made from 100 percent Cabernet Sauvignon grapes grown on a mountain top vineyard in the Alexander Valley of Sonoma County. Arbios Cabernet Sauvignon is crafted in classic Bordeaux style to have moderate alcohol and good fruit character – a balance between Old World and New World wines. Although Bill has a successful track record crafting blended wines, he now prefers the additional challenges and artistry that go into making our wine from a single vineyard.

The 2005 Arbios Cabernet is deep garnet in color with rich purple overtones. Aromas of violets, raspberry and plum are accented by vanilla, cedar, spice and hazelnuts. Generous blackberry and sour cherry flavors fill the mouth, followed by hints of clove and vanilla. The wine is supple with a nice medium bodied structure, moderate tannins, balanced acidity and long finish.

Varietal Comp:	100%	Alcohol:	13.6%
Appellation:	Alexander Valley	Brix at harvest:	24.2
% Malolactic:	100	TA (g/100 ml):	.64
Res Sugar (g/100 ml):	.002	pH:	3.60
Months in Oak:	24	Type of Oak:	French
Winemaker:	Bill Arbios	Production:	1800
